

## Terry V. Landsiedel

I moved to the Antelope Valley in 1988. I joined the Civ-Mil Organization in the 90's and have helped with some of their function. Served four years on the Rosamond Municipal Advisory Council. Two years as a director on the Antelope Valley Chamber, and helped create two new chambers in 2013. I serviced five years as President of the Rosamond Chamber of Commerce. At the present time I service as a director on the Kern Antelope Historical Society. I have been in the Real Estate Business since 1989 and my company name is T V Land Real Estate.

As President of the Rosamond Old Town Merchants for 24 years, we have provided the Christmas Parade in Rosamond for the people of the Antelope Valley. I'm willing to help the Civ-Mil organization with the great things they do for our military. Thanks Terry
